of hole

Tuesday April 20th

Starts in with calm then rain squalls Sebr. Valeria
in 2nd towed away from the Tender and anchored
getting ready to stow casks for Water and on the
clark 457 bbls or 14397 gallons. 2nd ashore
to see doctor so ends the season
from Carnica 1 drum of Powder bbls.

Wednesday April 21st

rain + Sebr. Valeria stowing hole getting
ready for Water noon heavy rain
dark air from the land.

Thursday April 22nd

Starts in with squally rain. Trades
got cask from A.M. 4. Got from
Pedro Varrelta 3 to stow in ground
2nd took anchors went to watering
place anchored & gave her 20 fathoms
puffy all day

Friday April 23rd

Starts with puffy squally Trades getting
soft of water + doing other odd jobs
dark still puffy + squally

Saturday April 24th
Starts in with rainy squally Trade
Rafting & Telling nettie shipped
2 min & cleared dark still squally

Sunday April 25th
Starts in with rain & is a rainy
day. Sun passed bound North

Sunday April 25th
Starts in with rain shows Mr. Benjamin
Daughtrie died this morning over
Bussnessman and men getting water
latter part more rain

Monday April 26th
Commence with rain showing
getting water Mr. Benjamin's daughter
died 8 & 9 a.m. latter part rain flags
half mast

Tuesday April 27th
rain all ship & flags half mast
getting wood & water latter part better
weather

Wednesday April 28th
Commence with calm swell from
North got bread from Carrier latterly
it is raining in bad landing

Thursday April 29th

Comma in with St. Andrews & away ship
in harbor doing nothing brack
making some with 2 anchors down
Nothing doing dark calm some
small

Friday April 30th

Start in with calm got boat Water
house & from shore & easy breeze
from St. & Weyland & Nicolas said
dark breeze from E
